Mobile Plan Terms – Plan Brochure

1. Mobile plans are supplied by TPG Internet Pty Ltd (ACN 068 383 737) under the terms of the Standard Terms and Conditions and the Mobile Service Description and Terms (documents available at www.tpg.com.au/terms_conditions).
2. Mobile plans have a minimum monthly access charge shown next to the chosen plan and a once off \$10 SIM charge which is payable regardless of the amount of usage. The \$10 SIM Charge is non refundable. After we have dispatched the SIM, if you choose not to activate the Mobile Service for any reason, you will not be entitled to a refund of the SIM Charge.
3. During the application process, we will debit your bank account/credit card for the once off SIM Charge and the first month's minimum monthly recurring charge. We will then dispatch the SIM to you and send to your nominated email address an account number which you must use at the "Your Account" section of our website to activate your Mobile Service. Your billing month will commence on the date your Mobile Service is activated. If you do not activate the SIM within 3 months from its dispatch, your application will be cancelled.
4. If you have not given at least 14 days notice of termination prior to the expiry of a billing month, we will debit the next month's minimum monthly recurring charge 7 days prior to the commencement of the next billing month.
5. Payments: All TPG services are prepaid. You must pay the monthly recurring charges in advance. In addition, you have the option to make additional prepayment for usage that is not within the included value (if any) for the plan that you have acquired. If there is insufficient funds in your prepaid balance, you will not be able to make any usage that is not part of your included value. Prepayments can be made during registration or after activation via the My Account section of the TPG website. If you choose to make additional prepayment, the amount will be debited from your nominated bank account or credit card. We will send you messages about your usage during the month. If you do not use the prepayment, it will be forfeited to us when you cancel the service. You agree that no bill will be provided for this service and that direct debiting of your account or charge to your credit card may occur notwithstanding that no bill is provided and that it may occur even though you may not have had the opportunity to check charges at least 10 working days before the debit.
6. If the direct debit of your credit card or bank account for the monthly recurring charges or a Top Up Amount fails, the services will be suspended and you must pay a bank dishonour charge of \$10.
7. If you port your mobile service number to another carrier a port out fee of \$11 is payable in addition to any other charges.
8. If you wish to upgrade or downgrade to a different mobile plan, there is no charge for this, but the change may only be effected at the start of the next billing month and provided at least 7 days notice of the required change has been given.
9. If you require a new phone number because you have received calls of a harassing nature, we will supply you with a new phone number free of charge on the first occasion. You will have to pay a \$25.00 charge for any subsequent phone number changes.
10. Premium SMS/MMS Services: Premium SMS/MMS services are not supported.
11. ADSL2+ and Mobile plans do not include the provision of any equipment but mobile handsets, modems and filters may be purchased from TPG separately during the application process. If you bring your own handset, it must be unlocked and capable of functioning on the Vodafone GSM network.
12. Charges are incurred by you notwithstanding that no bill has been issued.
13. Generally, usage records will be available online 30 minutes after the usage event but records of some events, particularly international roaming events, may not be available until some time after the relevant billing month. You are liable for such usage events even if we only become aware of them after termination of the Mobile Service.
14. Services are available to approved customers only on direct debit/credit card. Payment by American Express/Diners Club will incur a surcharge of 3.13% and 2.75% (incl. GST) respectively. If an attempt to debit your bank account or credit card fails, you will be liable to pay a bank dishonour charge of \$10 per instance.
15. If you acquire a Mobile plan which has a discounted monthly recurring charge because you have acquired a Broadband plan, if you cease for any reason to acquire the relevant Broadband plan the discount will cease and you will pay the usual rate for the plan you have chosen.
16. Collection Notice: During your application for a TPG service, you provided personal information to TPG Internet Pty Ltd. We collect your personal information to enable us to supply, support, bill and otherwise manage services that you (or a person/company with whom you are associated) acquire or wish to acquire.
