T4G PAYG
\$1 per month
Minimum Charge \$31
50MB Data Excess Data: 10¢ per MB
Calls To Standard AU Numbers 9.9¢ per min (10¢ flagfall)
SMS to Standard AU Mobiles 9.9¢ per message

First month minimum charge calculated as: \$(monthly charge in 1st month) + \$10 SIM + \$20 Prepayment

General: Offers may be withdrawn at any time.

Prepayment: All TPG services are prepaid. You must pay the monthly recurring charges in advance. In addition, you must make a prepayment for usage that is not within the included value (if any) for the plan that you have acquired. Your initial prepayment will be \$20. After registration, you may nominate how much you wish to prepay but the minimum prepayment is \$20. The prepayment will be debited from your nominated bank account or credit card. By acquiring and continuing to use the service, you agree to an automatic top up of your prepayment. The top up will occur when the amount of prepayment falls to below \$10. When that happens, TPG will debit a sufficient amount from your bank account/credit card to restore your nominated prepayment amount. If your usage is high, this can occur more than once per month. You authorise TPG to make such debits to your account/credit card. If you do not exceed the Included Value and do not incur any charges that are excluded from your plan, there will be no automatic top-ups. We will send you messages about your usage and the debits during the month. Your service will become inactive if our attempts to debit credit card/bank account to top up your prepayment are unsuccessful. If you do not use the prepayment, it will be forfeited to us when you cancel the service. You agree that no bill will be provided for this service and that direct debiting of your account or charge to your credit card may occur notwithstanding that no bill is provided and that it may occur even though you may not have had the opportunity to check charges at least 10 working days before the debit.

Coverage: Customers who purchase a TPG Mobile plan can only obtain 4G speeds when they use a 4G-ready phone (LTE 1800/850 MHz) in 4G coverage areas as per the detailed map listed at tpg.com.au/mobile/coverage. When customers are not within a 4G coverage area or their mobile handset is not 4G compatible, the mobile service will automatically switch over to 3G or 2G and speeds will be much less than that of 4G.

Excluded Usage (T4G PAYG): The plan does not include any Calls & Text (SMS & MMS); any usage will be charged at standard rates and taken out of your Prepayment. Video Calls, Calls and SMS to 19 Numbers, Diversion to International numbers, and Premium SMS/ MMS are not supported.

Included Data: TPG Mobile plans have a specific amount of Included Data each month. Data usage (including for social networking) is not unlimited and will be taken out of your Included Data.

Excess Data (T4G PAYG): Excess Data rate (10¢ per MB - charged per KB or part thereof) applies once Included Data is exceeded.

Mobile Plan Terms – Plan Brochure

1. Mobile plans are supplied by TPG Internet Pty Ltd (ACN 068 383 737) under the terms of the Standard Terms and Conditions and the Mobile Service Description and Terms (documents available at www.tpg.com.au/terms_conditions).
2. Mobile plans have a minimum monthly access charge shown next to the chosen plan which is payable regardless of the amount of usage.
3. During the application process, we will debit your bank account/credit card for the first month's minimum monthly recurring charge. We will then dispatch the SIM to you and send to your nominated email address an account number which you must use at the "Your Account" section of our website to activate your Mobile Service. Your billing month will commence on the date your Mobile Service is activated. If you do not activate the SIM within 3 months from its dispatch, your application will be cancelled.
4. If you have not given at least 14 days notice of termination prior to the expiry of a billing month, we will debit the next month's minimum monthly recurring charge 7 days prior to the commencement of the next billing month.
5. Payments (Super Value Small, Medium, Large, Extra Large): All TPG services are prepaid. You must pay the monthly recurring charges in advance. In addition, you have the option to make additional prepayment for usage that is not within the included value (if any) for the plan that you have acquired. If there is insufficient funds in your prepaid balance, you will not be able to make any usage that is not part of your included value. Prepayments can be made during registration or after activation via the My Account section of the TPG website. If you choose to make additional prepayment, the amount will be debited from your nominated bank account or credit card. We will send you messages about your usage during the month. If you do not use the prepayment, it will be forfeited to us when you cancel the service. You agree that no bill will be provided for this service and that direct debiting of your account or charge to your credit card may occur notwithstanding that no bill is provided and that it may occur even though you may not have had the opportunity to check charges at least 10 working days before the debit.
6. Prepayment (T4G PAYG): All TPG services are prepaid. You must pay the monthly recurring charges in advance. In addition, you must make a prepayment for usage that is not within the included value (if any) for the plan that you have acquired. Your initial prepayment will be \$20. After registration, you may nominate how much you wish to prepay but the minimum prepayment is \$20. The prepayment will be debited from your nominated bank account or credit card. By acquiring and continuing to use the service, you agree to an automatic top up of your prepayment. The top up will occur when the amount of prepayment falls to below \$10. When that happens, TPG will debit a sufficient amount from your bank account/credit card to restore your nominated prepayment amount. If your usage is high, this can occur more than once per month. You authorise TPG to make such debits to your account/credit card. If you do not exceed the Included Value and do not incur any charges that are excluded from your plan, there will be no automatic top-ups. We will send you messages about your usage and the debits during the month. Your service will become inactive if our attempts to debit credit card/bank account to top up your prepayment are unsuccessful. If you do not use the prepayment, it will be forfeited to us when you cancel the service. You agree that no bill will be provided for this service and that direct debiting of your account or charge to your credit card may occur notwithstanding that no bill is provided and that it may occur even though you may not have had the opportunity to check charges at least 10 working days before the debit
7. If the direct debit of your credit card or bank account for the monthly recurring charges or a Top Up Amount fails, the services will be suspended and you must pay a bank dishonour charge of \$10.
8. If you port your mobile service number to another carrier a port out fee of \$11 is payable in addition to any other charges.
9. If you wish to upgrade or downgrade to a different mobile plan, there is no charge for this, but the change may only be effected at the start of the next billing month and provided at least 7 days notice of the required change has been given.
10. If you require a new phone number because you have received calls of a harassing nature, we will supply you with a new phone number free of charge on the first occasion. You will have to pay a \$25.00 charge for any subsequent phone number changes.
11. Premium SMS/MMS Services: Premium SMS/MMS services are not supported.
12. ADSL2+ and Mobile plans do not include the provision of any equipment but mobile handsets, modems and filters may be purchased from TPG separately during the application process. If you bring your own handset, it must be unlocked and capable of functioning on the Vodafone GSM network.
13. Charges are incurred by you notwithstanding that no bill has been issued.
14. Generally, usage records will be available online 30 minutes after the usage event but records of some events, particularly international roaming events, may not be available until some time after the relevant billing month. You are liable for such usage events even if we only become aware of them after termination of the Mobile Service.
15. Services are available to approved customers only on direct debit/credit card. Payment by American Express/Diners Club will incur a surcharge of 3.02% and 2.75% (incl. GST) respectively. If an attempt to debit your bank account or credit card fails, you will be liable to pay a bank dishonour charge of \$10 per instance.
16. If you acquire a Mobile plan which has a discounted monthly recurring charge because you have acquired a Broadband plan, if you cease for any reason to acquire the relevant Broadband plan the discount will cease and you will pay the usual rate for the plan you have chosen.
17. Collection Notice: During your application for a TPG service, you provided personal information to TPG Internet Pty Ltd.
