

Information about the Service

Service Description

TPG Business Naked ADSL2+ services are a standalone fixed broadband service that delivers high speed Internet access without the need of an active landline phone service. The Service is delivered via TPG's own DSLAM network infrastructure. You need an active phone line for TPG Naked ADSL2+ to be installed. Once Naked ADSL2+ is installed, your phone line will be disconnected.

Availability

TPG Business Naked ADSL2+ services are only available at TPG ADSL2+ enabled exchange areas & subject to infrastructure availability at customer's premises. The Unlimited plan is only available at selected TPG exchanges.

Bundling Arrangements

Supply of the Service does not require bundling with any other TPG service.
