Minimum Term

TPG Mobile Services are supplied on a rolling month to month basis. Customers are permitted to terminate the acquisition of the Service at any time, but you will forfeit any prepayments already made.

Promotions and special offers: This summary does not include any special offers or promotions that may be offered on this plan, such as discounts or bonuses. Promotional discounts offered cannot be used in conjunction with the available discount for bundling a mobile plan with TPG Broadband. In this instance, the bundling discount will not apply for the period of your promotional discount but will apply after your promotional discount has concluded.

Bundling Arrangements & Mandatory Goods

Supply of the Service does not require bundling. However, to be eligible for the bundling discount you must have an active TPG broadband service linked to the TPG Mobile Service. It is not a requirement of TPG Mobile Services that customers acquire handsets or other equipment from TPG. However, you must have a compatible mobile handset to be able to use this service.

Excluded Usage

These plans exclude Excess Data, Calls to International Numbers, SMS and MMS to International numbers, Calls to Satellite phones, Third Party content, Video Calls to Standard Australian and International numbers, International Roaming, Directory Assistance and other Enhanced Services. Calls and SMS to 19 Numbers, Diversion to International numbers, Premium SMS, and Premium MMS are not supported.

Excess Data: These plans have a certain amount of Included Data each monthly billing cycle. If at any time in a billing cycle you use more than the amount of Included Data, we will charge \$10 out of your prepaid balance to increase the amount of Included Data available in that particular billing cycle by 2GB. If there are insufficient funds in your prepaid balance, your service will become inactive until your prepaid balance is topped up.

Other Information

Usage Information

You can monitor your TPG Mobile usage by logging into My Account online at [My Account](#).

International Roaming

While roaming, calls, SMS, MMS and data usage will be charged to your Prepaid Balance (if available) on a “pay as you go” basis at significantly higher rates than in Australia. You can find the list of Eligible Countries and Roaming Rates at [International Roaming](#).

International roaming is automatically activated on this plan. You can deactivate it by logging in to My Account online at [My Account](#) or by calling +61 2 9007 3023. Charges for using International Roaming are not part of your plan's Monthly Included Value. We highly recommend that you disable Mobile Data in your device settings to ensure that you do not incur unexpected and high data usage fees whilst roaming. It may take up to 48 hours for international roaming usage to be shown in My Account.
