

CRITICAL INFORMATION SUMMARY

TPG SIM Only Classic Mobile Plan

Service Description

TPG SIM Only Mobile Plans are prepaid, month to month mobile services with the specified included usage and included data, supplied using the Vodafone mobile network. All inclusions are for use in Australia.

TPG mobile plans are paid each month in advance and automatically renew every month until you cancel. Recurring charges are payable monthly in advance, seven days before the start of the next billing cycle. Payment options are Direct Debit or Credit Card.

Classic Mobile Plans are only available by invitation to selected TPG customers. If, after being connected to this pricing plan, you change to a different mobile pricing plan or disconnect your mobile service, you will not be able to return to this pricing plan or reactivate your mobile service on this pricing plan.

Minimum Term

Your plan will automatically renew every month, and your plan fees will be invoiced seven days before the start of the next billing cycle. You can cancel the Service at any time by calling Customer Support. Subject to your consumer law rights, if you cancel your mobile plan part way through your billing cycle you won't receive a refund of your plan fees for a partial period or for any unused Prepaid Balance.

Promotions and special offers

This summary does not include any special offers or promotions that may be offered on this plan, such as discounts or bonuses.

Bundling Arrangements and Mandatory Goods

You are not required to bundle this service. It is not a requirement that customers acquire handsets or other equipment from TPG. However, you must have a compatible mobile phone to be able to use this service.

Excluded Usage

You can make additional prepayment (Prepaid Balance) if you wish to make any excluded calls or usage that will incur excess charges. Minimum top-up is \$10. See Call and Other Usages Rates below for a pricing summary of key usage types. For full rates and a complete understanding of Inclusions & Exclusions, visit tpg.com.au/mobile/callrates

Extra Data: These plans have a specified amount of Included Data each monthly billing cycle. If at any time in a billing cycle you use up the amount of Included Data, we will charge \$10 out of your Prepaid Balance to increase the amount of Included Data available in that billing cycle by 2GB. If there are insufficient funds in your Prepaid Balance, mobile data will be unavailable until your Prepaid Balance is topped up or until your next billing cycle commences.

Coverage and Speeds

Customers require a 4G (LTE 1800/850 MHz) or 5G enabled device to use within our coverage areas, as applicable. See tpg.com.au/mobile/coverage for further information. Mobile Data is capped to a maximum speed of 150Mbps. This is the maximum speed that you may get access to and the speed you experience may be slower. Actual coverage areas and network speeds vary due to factors such as your device, location, available bandwidth, and source of download.

International Roaming

International Roaming is automatically activated for services connected on or after 13 September 2023. You can deactivate or manage your roaming settings by logging in to My Account at tpg.com.au/account or by calling +61 2 9007 3023. International Roaming is not included in your plan, and roaming charges are in addition to your Monthly Plan Fee. While roaming, calls, SMS, MMS, and data usage are charged to your Prepaid Balance (if available) on a “pay as you go” basis at significantly higher rates than in Australia. You can find the list of Eligible Destinations and Roaming Rates at tpg.com.au/mobile/intlroaming

If you wish to use International Roaming, it is recommended that it is turned on before leaving Australia. If you need to turn on International Roaming after leaving Australia, please call us on +61 2 9007 3023 from any phone. We highly recommend that you disable Mobile Data in your device settings to ensure that you do not incur unexpected and high data usage fees whilst roaming. It may take up to 48 hours for international roaming usage to be shown in My Account.
